

Exposing the 9/11 cover-up is the only way to bring about real change in America.

Evidence shows that the 9/11 attacks and anthrax murders provided the “new Pearl Harbor” prescribed by Neoconservatives³¹ to win immediate public support for previously planned security legislation (USA PATRIOT Act, Homeland Security Department) and their desired wars and occupation in the Middle East, so as to control the region and its resources. The attacks could not have occurred without high-level complicity from inside the U.S. government.³² Similar “false flag” operations have been used by powerful interests throughout history to take a nation to war, including by our own government, according to recent declassified documents.³³ Facing this reality, however difficult, is critical to changing the disastrous course set for our country eight years ago.

Justice demands accountability.

To our fellow concerned citizens: For the sake of the 9/11 victims and their families and for the safety, freedom and honor of every American, learn the truth and tell others. Challenge the media to stop repeating the lies and the cover-up. Urge your senators and representatives to open a new, truly independent investigation—wherever it may lead. Join the steadily growing *nonpartisan* 9/11 Truth movement, and demand justice.

Some are guilty; all are responsible.

The 9/11 Commission

I don't believe for a minute that we got everything right.... [W]e were set up to fail.

— Lee Hamilton, Co-Chair, 9/11 Commission, in *CBC News* interview, 8/21/2006

- Despite pleas from the victims' families, the Bush White House refused for more than a year to appoint a 9/11 commission, and Bush and Cheney had each privately asked Senate Majority Leader Daschle to "limit the congressional investigation."¹ They agreed only to be questioned together, behind closed doors, off the record and not under oath.²
- Before any hearings had begun, staff director Philip Zelikow, a White House insider, secretly outlined in detail all conclusions for the report, alarming 9/11 Commission staff.³ It was later revealed that Zelikow had already drafted the "Bush Doctrine" used to justify preemptive war.⁴
- The Commissioners were shocked that FAA, NORAD, and Pentagon officials gave testimony that "was just so far from the truth."⁵ They reported it for possible criminal referral to the Justice Department. The co-chairs later accused the CIA of obstruction for covering up and destroying detainee interrogation videotapes.⁶ To date, no one has been prosecuted.

Air Defense

It was hard to figure out how they had failed to shoot down at least one of the planes.

— Thomas Kean and Lee Hamilton, Co-Chairs, *Without Precedent: The inside Story of the 9/11 Commission* (2006), p. 259

- Air Force fighter jets that routinely intercept hijacked planes within minutes were not deployed "in accord with preexisting training and protocols."⁷ Ironically, multiple "war games" simulating plane hijackings were being conducted that morning, causing confusion during the attacks.⁸
- On 9/11, U.S. air defenses were under the command of Vice President Cheney,⁹ and there is sworn testimony contradicting the shoot-down orders he claims to have given.¹⁰

The Hijackers

At the top of my list [of unanswered questions] is, I could never figure out why these 19 fellas did what they did... they were apparently happy, well-adjusted, not particularly religious....

— Lee Hamilton, Co-Chair, 9/11 Commission, in *CBC News* interview, 8/21/2006

- FBI field agents who reported suspicious Arabs in flight schools were ordered by their superiors not to investigate.¹¹ Of the 19 Arab hijackers named, six were reported still alive after 9/11;¹² others had been under the watch of FBI agents and had trained at CIA-operated flight schools.¹³
- Ringleader Mohammed Atta's lifestyle grossly violated Islamic law, and his known movements were oddly inconsistent with the purported 9/11 mission.¹⁴ In August 2001, he received \$100,000 via Pakistani intelligence, our allies at the time.¹⁵
- Alleged Flight 77 hijacker Hani Hanjour, who "had trouble controlling and landing [a] single-engine Cessna,"¹⁶ supposedly flew a 757 jumbo jet into the Pentagon in "a pivot so tight that it reminded observers of a fighter jet maneuver."¹⁷
- Investigators wondered why the target chosen was the relatively empty side of the Pentagon that was being renovated, rather than the easier, more direct approach into the offices of then Defense Secretary Rumsfeld and top military brass.¹⁸

The Destruction

Floor by floor, it started popping out...all the way down. It was as if they had detonated it, planned to take down the building, boom-boom-boom-boom-boom-boom-boom....

— Eyewitness firefighters, 9/11, Naudet documentary film

- In the Twin Towers, 118 eyewitness firefighters reported hearing and seeing a series of loud explosions or bombs.¹⁹
- The 47 massive steel core columns should have remained standing. "Engineers and other experts have been struggling to answer...how the buildings, designed to sustain a jet impact, completely collapsed." Pieces of steel "melted and vaporized... but no fire in any of the buildings was believed to be hot enough to melt steel outright."²⁰

- A third steel-framed skyscraper, WTC 7, which was not even hit by a plane, "also collapsed for unknown reasons" in a 7-second free-fall, and its steel beams likewise mysteriously melted. "Sulfur released during the fires—no one knows from where—" rapidly accelerated the melting.²¹
- FEMA scientists found "evidence of severe high temperature corrosion attack on the steel, including oxidation and sulfidation," calling it "a very unusual event" with "no clear explanation for the source of the sulfur."²² Sulfur is used in thermate, a military-grade demolition compound that instantly cuts through steel, but NIST rejected outright any hypothesis of a controlled demolition.²³
- An executive at Underwriters Laboratories (UL), which had certified the WTC steel, was fired after he wrote to NIST that its conclusion of low-temperature fires softening the steel "just does not add up."²⁴ NIST's final report on WTC 7 in August 2008 ignored all physical evidence, using only computer simulations to support its conclusion.²⁵

The Blame

The Justice Department [has decided], so far, to not seek formal criminal charges against Bin Laden.

— *The Washington Post*, 8/28/2006, A13

- Osama Bin Laden has denied any involvement.²⁶ The translation of the December 2001 "confession" video has been found to be "inaccurate" and "manipulative."²⁷ Bin Laden tapes released later were proven to be faked.²⁸
- The post-9/11 anthrax attacks, disguised as acts of Arab terrorism, were traced to an American "with high-ranking military intelligence connections."²⁹ Targeted senators had opposed the USA PATRIOT Act. Many do not believe the FBI's theory blaming a lone scientist who committed suicide,³⁰ yet the investigation ended.
